HEADLINE SPONSOR

GATE is the Middle East's leading aviation training event held every two years as part of the Dubai Airshow. For the fourth edition the one day programme will also include panel discussions on maintenance and crew training. Senior representatives from airlines and training academies will deliver presentations and participate in panel discussions to address the most current challenges and opportunities for the whole spectrum of the aviation training market in the Middle East.

Secure your sponsorship at GATE and ensure your brand is seen at the leading edge of aviation training.

Our tailored sponsorship packages will ensure visibility in the GATE conference and exhibition area as well as including some branding & advertising at the Dubai Airshow, giving you even greater return on investment.
